

New Street tariff of mortgage charges

Effective from 16 July 2018

(PLEASE NOTE, THIS TARIFF REPLACES ANY PREVIOUS TARIFFS.)

New Street is closely involved in the mortgage industry's initiative with UK Finance (formerly Council of Mortgage Lenders) and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (see inside). This means we don't charge you these fees.

Please note that if our costs for providing a service increase, we may need to increase the fee that we charge. If we do that, we will notify you.
